

EXPERIMENT 6 – PAYROLL PROCESSING SYSTEM

Aim

To create a simple cloud software application for Payroll Processing using a Cloud Service Provider to demonstrate Software as a Service (SaaS).

Requirements

- Zoho Creator
- Web browser
- Internet connection

Procedure

1. Open Zoho Creator and create a new application.
2. Create an Employee Payroll form.
3. Add fields for Employee Name, Experience in Present Organization and Overall Experience.
4. Add salary fields for Basic Pay, HRA, DA, TA and CCA.
5. Add deduction fields for PF, IT and LOP.
6. Add Gross Pay and Net Pay fields.
7. Configure the form to calculate Gross Pay automatically using:

$$\text{Gross Pay} = \text{Basic Pay} + \text{HRA} + \text{DA} + \text{TA} + \text{CCA}$$

8. Configure the form to calculate Net Pay automatically using:

$$\text{Net Pay} = \text{Gross Pay} - \text{PF} - \text{IT} - \text{LOP}$$

9. Save the form and open the live application.
10. Enter sample employee and salary details.
11. Submit the payroll record and verify the calculated Gross Pay and Net Pay.

Sample Input:

Field Name	Value
Employee Name	Nithya S
Employee ID	192511058
Basic Pay	50,000

Field Name	Value
Dearness Allowance (DA)	1,800
House Rent Allowance (HRA)	1,200
City Compensatory Allowance (CCA)	1,500
Provident Fund (PF)	600
Income Tax (IT)	1,000
Loss of Pay (LOP)	0

Calculations:

1. Gross Salary Calculation

Gross salary is the sum of Basic Pay and all allowances:

$$\text{Gross Salary} = \text{Basic Pay} + \text{DA} + \text{HRA} + \text{CCA}$$

$$\text{Gross Salary} = 50,000 + 1,800 + 1,200 + 1,500 = 54,500$$

2. Total Deductions Calculation

Total deductions include PF, Income Tax (IT), and Loss of Pay (LOP):

$$\text{Total Deductions} = \text{PF} + \text{IT} + \text{LOP}$$

$$\text{Total Deductions} = 600 + 1,000 + 0 = 1,600$$

3. Net Salary Calculation

Net salary is the Gross Salary minus Total Deductions:

$$\text{Net Salary} = \text{Gross Salary} - \text{Total Deductions}$$

$$\text{Net Salary} = 54,500 - 1,600 = 52,900$$

Implementation

Input:

PRP Play roll processing

play roll processing

play roll processing

play roll processing Report

NITHYA SRE...

play roll processing

Employee name

First Name

Last Name

Employee ID

Basic pay

DA

HRA

CCA

PF

IT

LOP

Gross salary

Net salary

Output:

< > EditDuplicateMore ▾	
Employee name	Nithya S
Employee ID	192511058
Basic pay	50000
DA	1800
HRA	1200
CCA	1500
PF	600
IT	1000
LOP	0
Gross salary	54500
Net salary	52900
Add a comment	

Result

Thus, a cloud-based Payroll Processing System was created successfully using Zoho Creator. Gross Pay and Net Pay were calculated automatically based on the salary and deduction details.
